Nicole Anne Shoemaker
May 26, 2007

Nicole Anne Shoemaker, 22, of Marion, died May 26, 2007 unexpectedly.

Born in Blue Hill, Maine, she was the daughter of Harry and Anne (Croke) Shoemaker, the beloved sister of Brent Shoemaker and Michaela Shoemaker, all of Marion, and the girlfriend of Caleb Nietupski of Hartford, CT. She lived in Marion most of her life and recently was living in Worcester.

She was a communicant of St. Rita's Church in Marion.

Nicole was a 2002 graduate of Old Rochester Regional High School and Assumption College, class of 2006.

Her interest in fashion led to a career as an assistant manager at Hollister and more recently at Aeropostale.

Nicole's greatest joys were traveling with her family and spending time with her friends, especially with Caleb. She also loved celebrating the holidays with her large extended family. Her laughter and joy for life were the gifts she gave to her family and friends.

Nicole was the granddaughter of Edward and Mary (Weidmann) Croke of Lowell, MA, Dorothea (Windish) Shoemaker of Dartmouth and the late LeRoy Shoemaker. She is also survived by numerous aunts, uncles and cousins.

Her Funeral Mass will be celebrated on Friday at 10 AM in St. Anthony's Church, Mattapoisett. Burial will follow in Old Landing Cemetery, Marion. Visiting hours Thursday 4-8 PM in the Saunders-Dwyer Mattapoisett Home For Funerals, 50 County Rd. (Rt. 6), Mattapoisett. In lieu of flowers, memorial contributions may be made to Assumption College Memorial Scholarship Fund, c/o Development Office, 500 Salisbury St., Worcester, MA 01609. Four years ago, on a hot summer day I stepped onto the Assumption College Campus as a timid freshman; unaware of everything the next four years would have in store for me. Through it all, I have met many incredible people and encountered numerous unforgettable experiences that have made my time here anything but ordinary. I believe this can be said for all of us. As seniors we have been privileged with four incredible years here encountering many amazing people, professors, and experiences which have turned into memories. We will cherish these memories for the rest of our lives.

It's hard to believe that our four years at Assumption have finally come to an end. When I think about graduating it seems surreal. Sometimes I think to myself "Graduation? Me? I'm not ready to be in the "real" world on my own!" It seems like just yesterday I was a scared freshman running to class 20 minutes early afraid of being late and not getting a seat.

It's going to be hard to say goodbye to this place. The place that turned into my home for the past four years. The place that has given me so much. There are so many things about this place I will miss: Larry's crazy jokes, Maryanne's smiling face, all-nighters that did not involve any school work, walking to class with the snow up to my knees, and the sound of AIM coming from everyone's room. I will also miss the ability to be able to walk into the next room to talk to my best friend if I'm having a problem.

Graduating from Assumption shouldn't be a scary experience for us. We should be proud we made it this far and look forward to what the rest of our lives have in store. Assumption was just another chapter in our lives. It shaped us into the successful adults we are today. It provided us with knowledge, experience and friendships that we will never forget; and as we all stand together on May 13th, 2006 and throw our caps up in the air, let's remember to keep our days at Assumption near and dear to our hearts and to always remember to take what we learned throughout these four years here and continue it throughout our lives. Just because we are graduating, it doesn't mean these four years should be forgotten. The laughter, the jokes, the knowledge, the memories and everything we experienced here at Assumption should stay with us and the joy these things brought to us should be continued all throughout our lives.

It is my hope that forty years from now you will open this yearbook, look through its pages and remember the good times you had. I hope you close your eyes and all the memories and laughter that flow into your head bring a smile to your face and that your memories and stories of the best four years of your life will be continued.

Dedication

2006

Assumption College has had the pleasure of being blessed with genuine, dedicated, compassionate faculty and staff that leave a lasting imprint on our hearts and lives. This year we have chosen to honor an individual who exemplifies these qualities, Carmella Murphy.

Carmella works in the Information Technology center as a Training Specialist. She does her best to help students with technical problems and serves as Technical Advisor to the Yearbook and Provoc Staff.

Carmella has dedicated a lot of her time to Assumption College. With her already busy schedule she has participated in the Comfort Shawl Project, knitting comfort shawls for those suffering from long-term illness. She has also served as a project advisor for students living in the LLC, and even travels the world with the Assumption College Chorale.

Some of you may know Carmella Murphy as the smiling lady at all campus events taking hundreds of photos. Others may know her as the busy-bee running around the IT center. She is happy to lend a helping hand, and come to our rescue when needed.

Carmella has played a major role in the production of this yearbook. She has spent countless hours proofing pages, and helping with page layouts. Without her the yearbook would not have been possible.

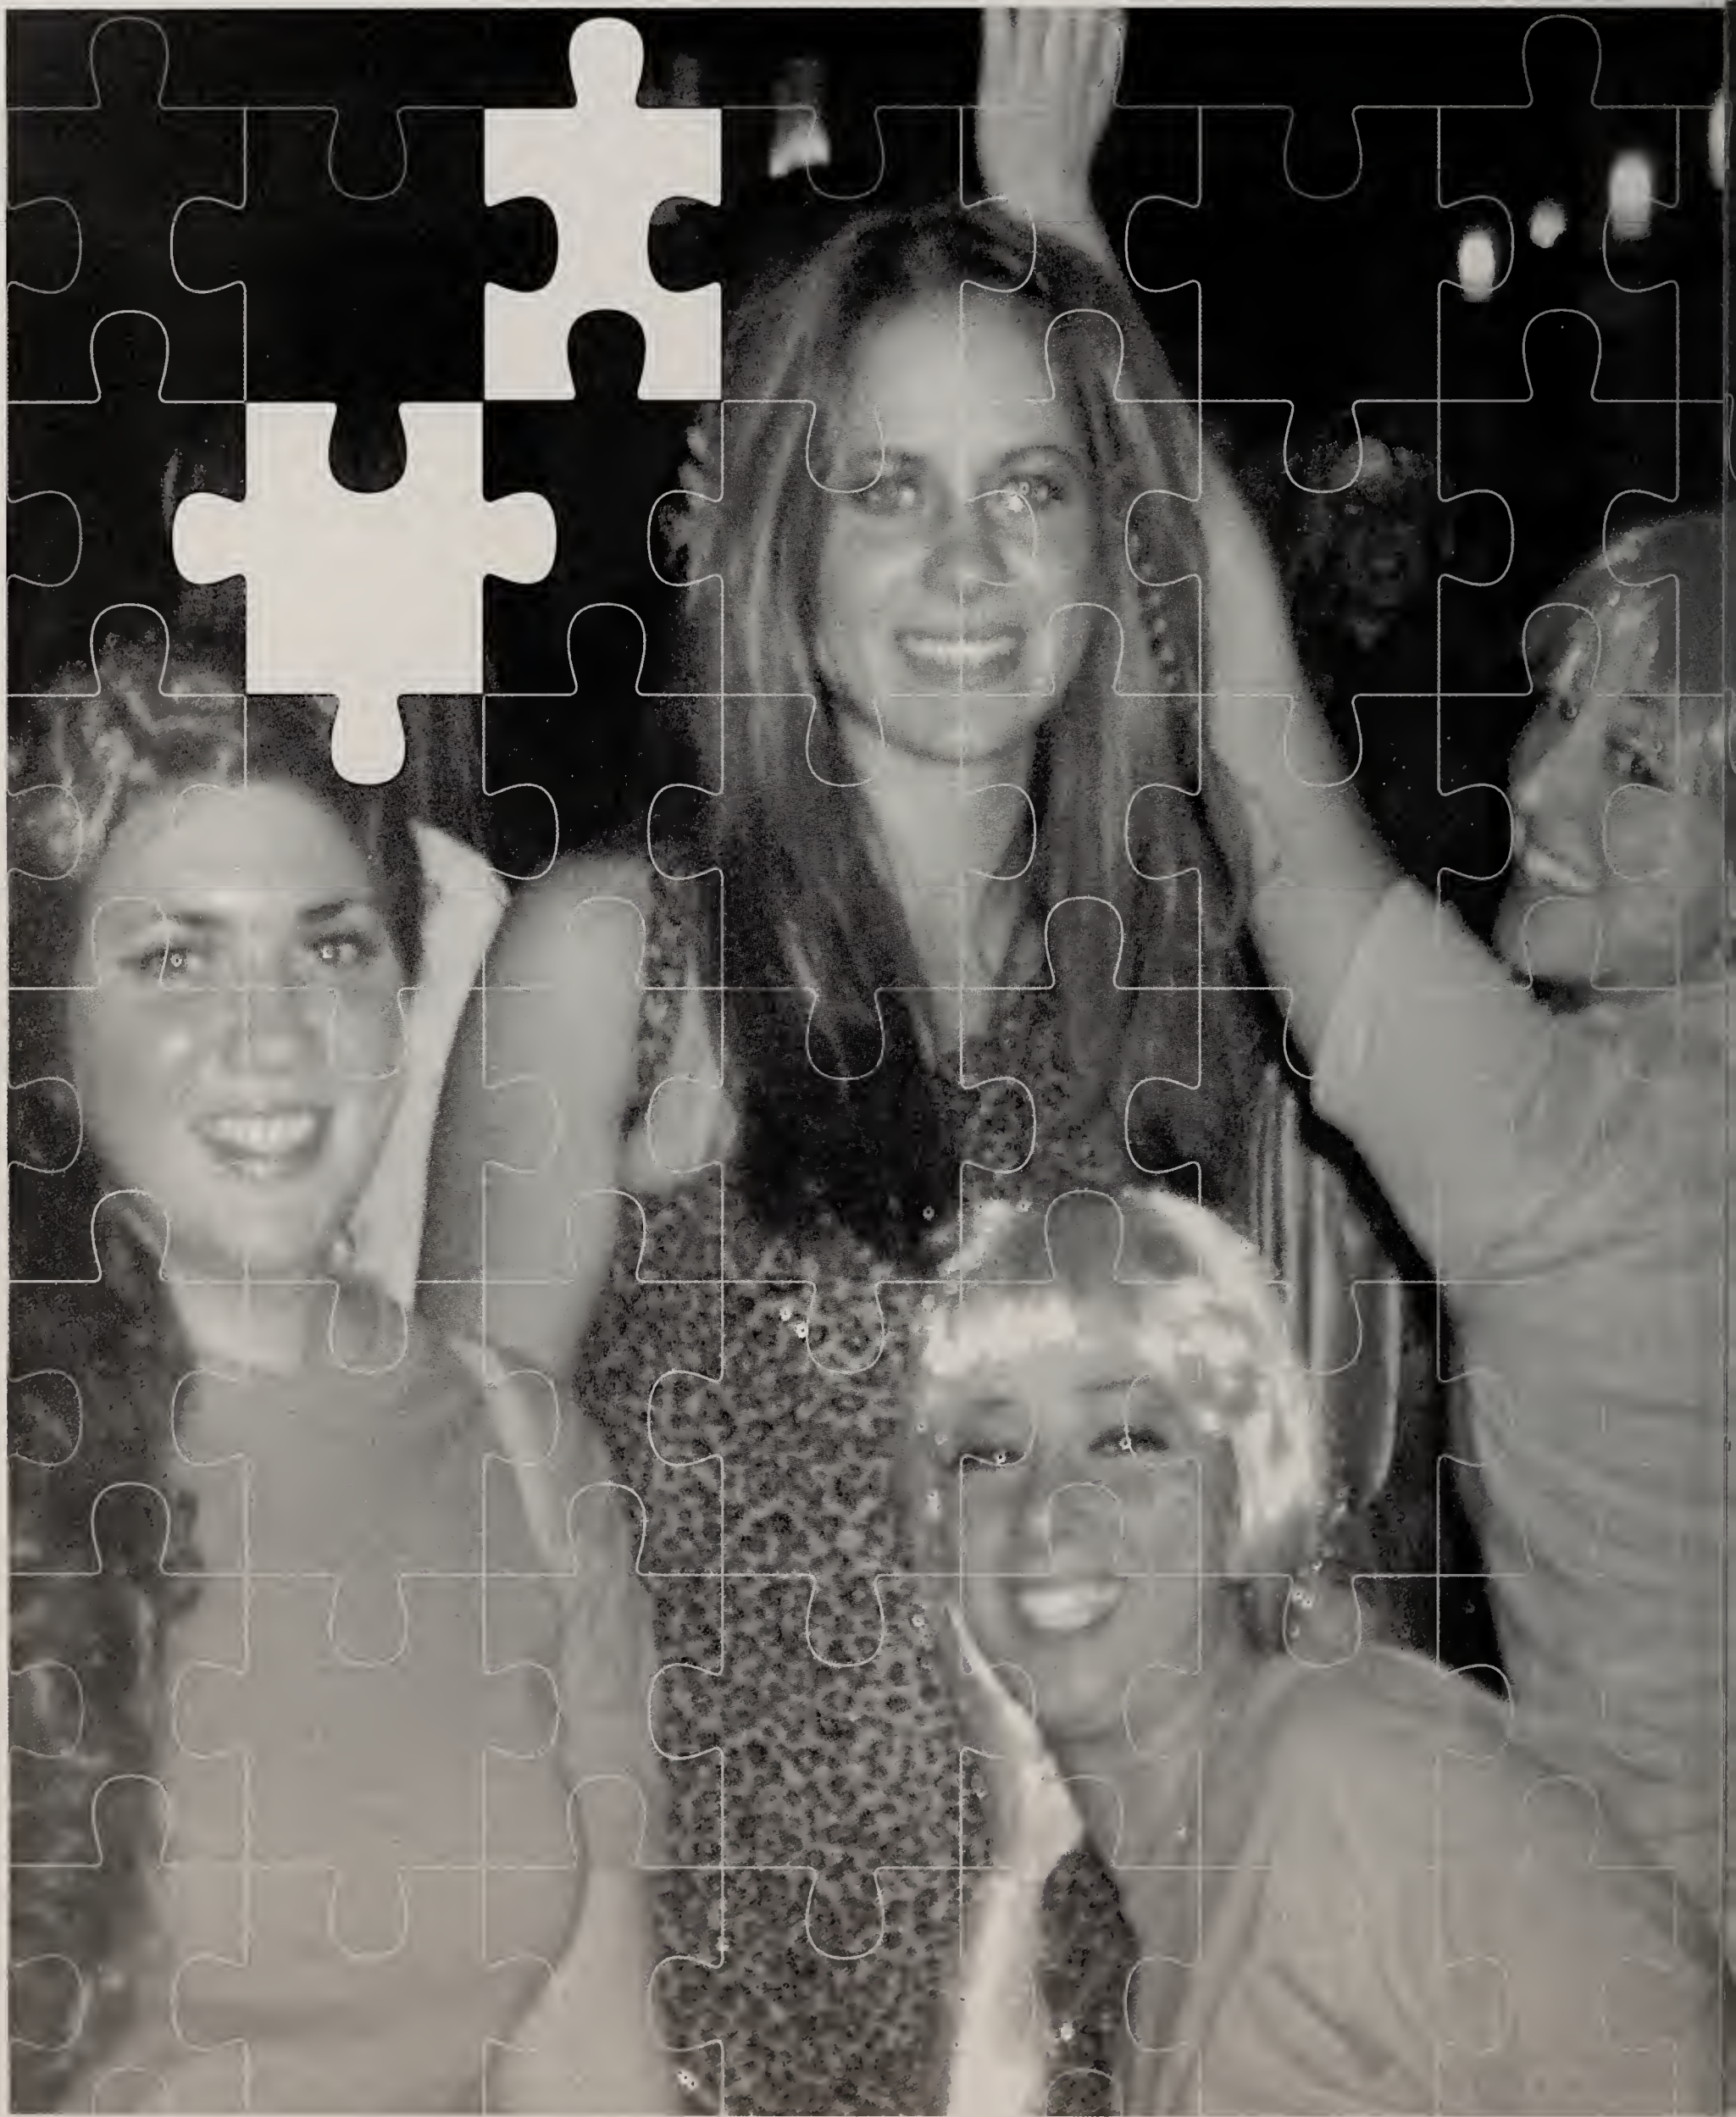

Carmella is a great person. It can be said without a doubt that her impact will never be forgotten among this year's graduating seniors.

Carmella, your hard work has not gone unnoticed. The Assumption College community appreciates all you do, and values all your hard work. Thank you for everything you have done for Assumption! We Love You!

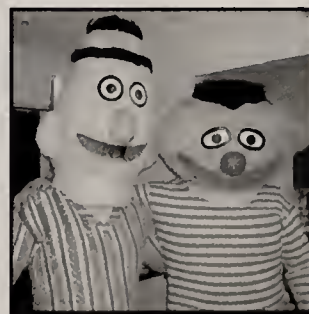

"Some people come into our lives and stay in our hearts forever."

To The Class of 2006 ...

ASSUMPTION COLLEGE

STUDENT GOVERNMENT ASSOCIATION

Dear Class of 2006,

We all came to Assumption College from different states, different towns, and different high schools. We were assigned different freshman dorms, with different roommates. We chose different classes, different sports, and different activities. We have different majors, we're going to different jobs, and we're going to live in different places. But our class, the Class of 2006, is more than just a bunch of different people. We all came here fresh, knowing few if any people. We all went to Taylor for meals, complaining about the whole way. We all had to take similar general education courses, and we all complained about the work that seemed like it would never end. We all stressed out, had more than one all-nighters, and all made it to the end of our academic careers at Assumption. We've all loved Pup Cup, gone to the concerts, the balls, and we've all had the time of our lives at the Senior Nights Out. We've all found something in common with the people around us, whether it be music, beliefs, food, or Leittrums on Thursday nights. We all made friends that we can't believe we ever lived without. We all made memories that will be with us for the rest of our lives. And we all will be walking to the same music, receiving our diplomas and smiling.

Class of 2006, as cliché as it sounds, I hope you've had the time of your lives. As you take your last loop around campus don't think of graduation as an end, but as the beginning of something great. Think about how every experience you've had here will prepare you for anything that crosses your path. Think about how you've learned so much here, academically, socially, and personally. Think about your friends, and know that they are thinking of you too. Good luck with everything that your future holds, and may your time at Assumption prepare you for whatever comes your way.

Best Wishes,

Taylor Wheaton

Orientation

2005

**Do not follow where the path may lead.
Go instead where there is no path and leave a trail.**

— Ralph Waldo Emerson

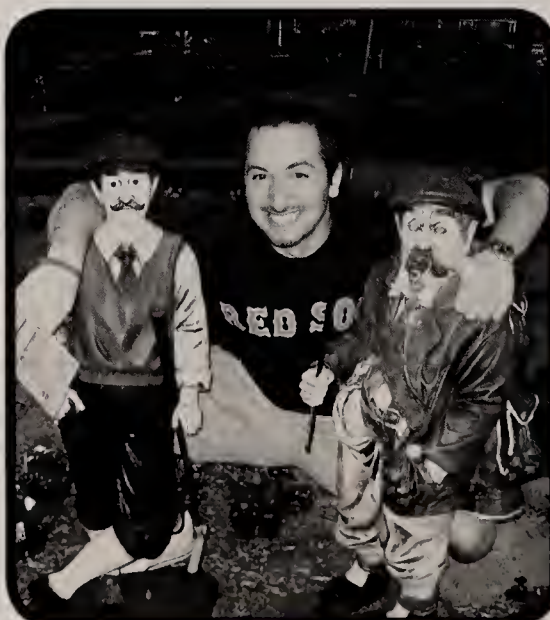

Orientation starts earlier than most people think. Once all of the leaders are chosen in late February, the group meets regularly during the Spring Semester to bond with each other and to prepare for the upcoming Summer Orientation.

When the OL's arrived in June, they underwent an intense training period. Scavenger hunts, pairs twister, and LOTS of Subway sandwiches were the usual. However, this year the 26 OL's participated in a team building ropes course, spent a day at Casey Hatten's house, and overtook Water Country (The Dragon's Den anyone?).

Once the First Year Students arrived, the OL's were all business. It's a long day and a half, but it was definitely well worth it, especially if your group was "sooooo awesome," as Erin Ranft constantly told us.

Thank you 26 for a great summer! You guys did an amazing job!

The Orientation Leaders take a break from their busy schedules to enjoy a day of fun in the sun at Water Country.

Junior Class Trip to Montreal

October 28-30, 2005

Friday, October 28th, 2005 The Class of 2007 arrived at the Holiday Inn in Montreal, Canada for a weekend full of fun! Shopping in underground malls, free coupons, clubs, bars and eating at great restaurants on St. Catherine's Street were a few things which made the trip memorable.

The majority of the class went to Cheers on Saturday night for an awesome time with their classmates. Peel's Pub and St. Andrew's were also popular destinations for students looking to unwind after a day of shopping and eating the 'foreign' cuisine. By the time the Juniors were headed back to school, they had become closer to their classmates, and made some new friends.

Truly great friends are hard to find, difficult to leave, and impossible to forget.

Winter Soirée

December 7, 2005

December 7, 2005, was a night to remember. The Hagan Campus Center Hall transformed into a sparkling ballroom where freshmen and sophomores danced the night away. The Soiree allowed students to have one last night together before the study sessions, and difficult goodbyes they would have to say before winter break. At 9:00 p.m., the dance got underway. Hot music played, couples danced, and refreshments were served. People even got their picture taken with Santa. At the stroke of midnight the dance ended and the students reluctantly retreated back to their dorms. The dance allowed the students to forget the harsh realities of the upcoming days, and truly enjoy themselves.

PUP CUP WEEKEND

APRIL 28TH-30TH

Pup Cup weekend kicked off with the annual Mr. and Mrs. AC contest. The contestants were judged on many different categories such as: casual wear, swimwear, talent, and a question and answer section. Some of the talents included stuffing your face with marshmallows and singing the National Anthem, forming the world's largest Conga line, and thinking of funny pickup lines. Other weekend events included a bbq as well as a carnival outside of Hagan and a performance by Sam James on Saturday night. Pup cup was a great way to end the year for everyone. It is safe to say this year Pup Cup was a success!

Congratulations to the members of the Class of 2006. You have all observed the Katrina hurricane disaster, which reminded all of us to think about, serve in our own way, and assist whenever possible those far less fortunate in life's circumstances. The academic outcomes of competence, character and compassion that emanate from a Catholic liberal arts education will serve you well as you serve others.

Heights Yearbook is one of the many student publications on campus. This year the staff was made up of 12 members who worked together to create the 2006 yearbook. It took a lot of hard work and dedication from each staff member to make this book the best it could be. Many long and fun hours together in the yearbook office by the staff have been spent creating this yearbook. Thank you to everyone who sent us pictures, and helped with creating layouts. You are all very much appreciated!

Student Government Association

The Student Government Association had a very successful year. A lot of changes were made in an effort to strengthen the efficiency and influence of the Student Government. This year we reduced the amount of SGA committees from 16 to 7 and instituted a Monday Committee Night. The purpose of this was to establish a more proactive senate as well as to promote well thought out and thoroughly researched proposals. Senate meetings continued to include Open Discussions which allowed the senate to generate conversation and give feedback on topics without the pressure of an imminent vote. This year's Senate worked on several proposals including: changes to the gathering policy, refining the responsibilities of Student Leaders, amending the SGA Constitution, providing legal music downloading, and many others. The 2005-2006 year in SGA was one of the most successful yet and hopefully will set a positive course for the future.

“Le Provocateur”, better known as the “Provoc,” is the undergraduate student newspaper of Assumption College which reaches a readership of over 2,000. During the 2005-06 academic year, the Editorial Staff of eight compiled and produced 13 bi-monthly, 20-page issues. The Business Manager and Assistant Business Manager sold advertising space to local agencies. Every other weekend, the editors met in the office to copy, edit and layout each issue of the “Provoc.” Articles were assigned at each meeting to “Provoc” staff writers who could choose to write for the News, Viewpoint, Feature, Arts and Entertainment, or Sports sections. Staff writer membership is open to all students at Assumption College, and staff and faculty submissions are also encouraged. The new Editor-in-Chief for the following year is determined each spring by the outgoing Editor-in-Chief through applications and interviews. The new Editorial Staff is picked by the new Editor-in-Chief.

The Reach Out Center provides opportunities for students at Assumption College to engage in community service in the greater Worcester area. The Center seeks to enhance the students' liberal arts education through meaningful, pro-active service, as well as creating a campus environment that inspires and supports civic responsibility and community action. It also strives to encourage and cultivate student leaders as they develop programs, recruit volunteers, and assess effectiveness.

The OMA is committed to the enhancement of a campus that fosters the achievement of all students who are eager to increase their understanding of diversity in a global society. This department oversees groups that serve to enhance and encourage diversity and multicultural awareness; Capoeira Club, Step Team, and ALANA.

The goal of ALANA (African, Latino/a, Asian, Native-American) is to promote student and community activities within the interest of the ALANA population, as it relates to the entire Assumption College community. ALANA works in collaboration with on-campus groups, such as, Res Life, Campus Ministry, AC Allies, Reach Out Center, Campus Activities Board, Le Provocateur, and SGA. ALANA also has a close relationship with multicultural groups within the Worcester Consortium, including Worcester State, Clark University, and Holy Cross. Activities sponsored by ALANA include: Chinese New Year, Cape Cod Trip, Halloween Salem Trip, Week of Remembrance, Heritage Month Celebrations, International Fair, and the Step Team Competition.

And most important of all, the experience of a capoeira group allows you to meet great people, have a great time, and learn a lot of new things.

Fully equipped with fourteen hardworking executives, an amazing array of general members, and an absolutely fabulous advisor, CAB is responsible for planning many of the fun and exciting social events that come to the AC campus. Seven different subcommittees are primarily responsible for planning such events; these committees include Comedy, Concerts, Formal Events, Live @ Charlie's, Special Events, Family Weekend, and Siblings' Weekend. Along with these committees, CAB also plans the marvelous co-sponsored Fall Welcome Week and Winter Welcome Back Week. If this wasn't enough, CAB also provides its executives and general members with great friendships, glorious entertainment, and many great memories.

The Campus Activities Board would like to take this opportunity to thank all of our executives and general members who have made this a great CAB-tastic year! Your hard work and dedication continues to make CAB the name it is today. To the seniors, we would like to thank all of you who have come out to our events over the past four years—especially to those seniors who have helped in planning them. We wish you the best of luck. As for the underclassmen, we'll see you back here in the fall! Same great organization! Same great events!

Campus Ministry

What is the core team exactly?

The core team is a group of dedicated and fun-loving students committed to making a difference in the spiritual lives of their peers. With enthusiasm and love we have been reaching out to freshmen, sophomores, juniors, and seniors through START retreats, candlelight prayer, dinner & discussion, SEARCH retreats, mission trips, chapel choir, liturgy, and various other campus ministry events. Each one of us is given a focus area so we can specifically work on events to make campus ministry what it is.

We realize that building a sense of community and faith is an important part of a student's growth. Working from Assumption's motto, "...until christ be formed in you", we not only help students grow in their faith along side their peers, but we also grow with them, sharing the experience together and having a great time doing so! :)

The Chapel Choir is comprised of over 60 Assumption College students. It is a group of very dedicated individuals who rehearse every Thursday in preparation for the Sunday 7PM Mass. The group also performs at the college's annual Advent Service of Lessons and Carols, Family and Open House Weekend Masses, and the Baccalaureate Mass. In May of 2005, the Chapel Choir embarked on its first mission tour, traveling to New York and Pennsylvania. For the seniors of the group this will be a great ending to what has been an amazing four years. Chapel Choir has truly been a remarkable experience that we will take with us throughout the years to come.

TO BE the best...

that we can be.

If you are an Assumption football fan, this is a phrase you have been hearing for nearly two years now. With new uniforms and a new stadium, 2005 was the season for Assumption to truly take the field as A NEW BREED. The 2005 season started with an offensive explosion as freshman quarterback Jon Breuer completed 19 passes for a huge 332 yards, making it clear to everyone in the stands that this was not your typical Assumption College football team.

Like many years past, Assumption football experienced their ups and downs. Losing an offensive shoot out to Bryant University was a tough pill to swallow, however victories over 1-AA Iona and a comeback thriller under the lights in Worcester against Merrimack made this past season a memorable one. That and the many records and awards Assumption players were able to take home. Senior Linebacker Chris Grogan, hard hitting senior defensive back Gino Meccariello and freshman running back Austin Davis were rewarded spots on the Northeast 10 1st team. On top of having three 1st team selections, Assumption also posted a member to the 2nd Team All Northeast 10, junior defensive end and one of next years captains Josh Kelly. In and up and down season, the captains were able to keep their team focused as the Greyhounds won three of their final four games to end the season 4-6.

The Assumption Varsity Field Hockey team was a competitive force in the Northeast 10 Conference during the 2005 season. Coached by Deb Draper, in her 11th season, the team finished with a 7-11 overall record. The team was lead by a large, talented senior class consisting of eight seniors: Megan Atkins, Jackie Cone, Kerry Kelly (Captain), Sam Kenney (Captain), Courtney Nottebart, Erika Pansius, Sarah Roy (Captain), and Liz Tessier.

Even though our record this past year and over our careers was not what we had all hoped for, we have learned a lot from our experiences both on and off the field. Yes, there are some games that will be remembered throughout the years, but it is the friendships that have formed between the eight of us and the rest of our teammates that we will cherish forever.

Led by Coach Kulas, the Men's Soccer team had quite the eventful season. They finished their season with a record of 4-14-0. The Greyhounds had a difficult beginning, opening the season with an upsetting loss to American International College. Even though Assumption's Joe Drain scored two goals that game, he was no match for the opponent's rushing offense.

While the season did prove to be difficult, the team banded together and never gave up hope. All of their hard work and dedication finally paid off when they defeated Bentley 1-0 with the help of Brett Miller who had 12 saves.

The Greyhounds closed out their season with not just one, but three thrilling victories over Bloomfield, Mercy and Felician. Goals kicked by Mike Keeling and Jim Coletti, in the final game against Felician, resulted in celebration by their teammates. This team is determined to come back harder and stronger than ever next season.

This past season was one of the most successful and memorable seasons for the Assumption College Women's soccer team. With a #3 national ranking for two weeks straight and defeating Franklin Pierce (one of two teams in the entire country to do so) for the first time in the Assumption's history are only two of many memorable moments and achievements this close-knit team worked for. The comraderie and close relationships that are a product of this special group of women are a main reason they found themselves in the "Sweet Sixteens" of the NCAA tournament for the second consecutive season. Under the coaching of Neil Stafford, the team has flourished and been nothing but successful.

"As a captain and senior, I have nothing but great memories from my experience on the team for four years. I have made some of the most incredible friendships of my life and will never forget what it felt like to compete in a national championship tournament. I am proud of my teammates and hope that next year they will go even further!"

This cross country season was definitely a memorable one. The season started off great; we received a solid core of freshmen to add depth to the team and we were fortunate enough to have our first couple of meets held in beautiful conditions. The team was the closest it has been since I came here in 2002, which is good when traveling every weekend all throughout New England. Many people don't understand our sport or see how we can have such passion for something you can't see. Maybe we are crazy for going on 14 mile runs, running up ski slopes, and beating up our bodies during our 20 x 400m grueling workouts. There is one thing that we do share though: the passion to get up every day and do it again in hopes of getting that new personal best time or beating the guy who was in front of us the weekend before.

The end of the season was very different from the beginning. The last four meets were all in the pouring rain making the course atrocious and unsafe. Still, we put our toe to the line and ran the 8k or 10k course in ankle deep mud. This season's success was due to the returning top 5: Kyle Fontaine, Brian Burlas, Tim Clapes, Kevin Cusack, and Casey Hatten. The team prevailed through the bad conditions and injuries to have one of its greatest seasons. Between practices, meetings with coaches, captain's practices on Thursday nights and traveling, I was very pleased with how the season turned out and so were our coaches. I would like to thank our great coaching staff who made this season a success: Coach Perrone, Gary, and Joe. ACXC!!

Work Hard, Run Harder

The Women's Cross Country team, led by Coach Perrone and captain Caitlin Clark, had a fantastic season. They placed in the top half of each race in which they competed in, with the help from many returning runners. At the N.C.A.A. Regionals, the Women's Cross Country team finished 6th out of 22 schools. Captain Caitlin Clark finished third in this race overall, qualifying her for Nationals. Being the first women in Assumption College history to qualify for Nationals, she finished 68th out of 186 runners.

The 2005 Assumption College Volleyball season is not one that can be summed up simply by wins and losses. Although our record did not show the true success of our team, our friendships, lessons learned, and ability to compete with top teams in the conference proved otherwise. With five seniors this year, Lindy Dhulst, Cara Hoell, Beth Hordern, Lisa Viera and Leslie Yarsites, we all believed it was going to be one filled with victory on and off the court. However, hardships approached our team and we did not win as many games as expected. The companionships of the girls on this team, however, will stay with us forever.

I came to Assumption College, after taking a year off, as a junior transfer from the Community College of Rhode Island. I played one year for Tom Ackerman, former head coach, with a promising season ahead of us. We had a lot of talent on the team that year but we had trouble working together. We ended up losing a lot of close games in the beginning of our season and finished with a record that couldn't quite get us into the playoffs.

My second year at Assumption, Serge Debari took over the head coaching job. Coach Debari had a different style of coaching than I had ever experienced. Coach Debari didn't know any of us as players when he came in and he also didn't make any assumptions on what we could or couldn't do on the court. With all the distractions from a new coach, new players, and a whole new basketball program, we as players didn't let it phase us. We made our team a family. Our team see-sawed throughout the season winning games we were underdogs in, losing games we were favored to win, and losing about half our games by close calls and last minute shots. We ended up missing the playoffs by one game. Even though we didn't make the playoffs, I'll never forget the great times I've had with my Assumption teammates over the last two years, on and off the court, and the knowledge I've gained from the great coaching staff in Serge Debari, Guillermo Sanchez, and John Ginnity.

The past four years of basketball have been memorable. There have been many highs and lows with this team, but we always managed to make it through. Our team has overcome many obstacles together and have personally been there for me on and off the court. They were my source of strength and love in a difficult time during my sophomore year. We supported each other and worked hard in all that we did. We shared many words, tears, and laughs. I will always remember my teammates and the memories I have here at Assumption, playing basketball, and will take them with me always.

The 2005-2006 Assumption College Ice Dogs completed a 5-19-1 campaign when they lost to Stonehill College in the first round of the Northeast-10 tournament. The record, however, was not a true measure of the season as the Ice Dogs lost several close games against some of the best competition throughout New England. Led by Captain Sean O'Leary, the team competed every day in practice and in games.

Offensively, the Ice Dogs were led by sophomore Jim Trahon and seniors Bobby Fanciullo and Jeff Ilvonen. The trio combined for eighty points and scored key goals throughout the year. Defensively, the squad was led by seniors Steve Snizek and Brian Blanchette as well as by junior Dan Surette. Goaltending duties were shared by senior-captain Sean O'Leary, senior Mike Sweeney, and freshman David Pinkham.

This past golf season featured four starting seniors as well as a starting freshmen. We had a good season in which we played numerous difficult golf courses against tough competitors. We had a strong finish at the New England Invitational in October in which we finished 20th out of 48 teams.

The past four years have been really great playing golf here at Assumption. With four seniors on the team, we all worked with each other in different tournaments and all had good careers for the golf program, something that we will all remember. Over the four years of competition, we were able to play numerous courses all over New England, as well as make a few trips down south to play at Hilton Head, in South Carolina. Overall, the past four years have been something that none of us will ever forget!

The Assumption men's baseball team had a tough season. Ending the season with a record of 10-35 was hard on everyone. The team had numerous adversities to overcome. They worked harder than ever which was evident in their 13-3 win over Clark University. The highest batting averages were held by Tyler Vivian, Matt Cavallaro and Mike Baillargeon, while Jeff Barbale hit three homeruns for the Assumption greyhounds. Only losing five seniors, the majority of the team will be there next season to again work hard and overcome all of their obstacles.

The 2005-2006 Assumption College Softball team began the season with a new field, a new team and a new attitude. After making the playoffs last season, our goal this year is to gain another NE-10 playoff birth. We definitely have the talent and the team chemistry to do so. Our squad of 17 can not only swing bats and field balls, we can swing a mean sledgehammer and are one of the best "grounds crews" around. We are versatile in every sense of the word. Most teams have a consistent starting 9 to take the field at the beginning of every game. However, we have learned that in order for our team to be successful, we have to incorporate the 17 of us in each game.

Our most memorable wins of the season have been the 5-3 win over UMass Lowell, who owns the top spot in our conference and beating Bryant on their home field 3-0. We have had our ups and downs throughout the season, but we always manage to pull it together at the end of the day. After all, our motto for the season is "Win together, Lose together, Play together, STAY TOGETHER".

Good Luck to my fellow graduating seniors: Lisa Castillo and Shaylynn Napolitano. It has been a great four years.

I am going to try and steer clear of all the hollow clichés I could write about the Men's Lacrosse team, or any team for that matter. There is one thought I cannot leave out. Any person who was ever part of any team understands what I mean when I say we worked together. My senior teammates and I were split between two coaches. Chris Widelo, our coach during our freshman and sophomore years and Mark Kelley, our coach in our junior and senior years. I remember all the changes that were made during the transition, but the only thing that never changed was the idea of working together. No one was exempt from anything. During my freshman and sophomore years, 6 a.m. practices were common and painful, yet everyone was there. My junior year everyone had to share the burden of zero home games while the stadium was being finished. My senior year, I can recall everyone accepting the bitterly cold weather during practices. I can remember everyone dreading to hear Coach Kelley call out "50-50's", which are 50-count, fifty-yard sprints.

We were all in it together, picking each other up after knocking each other down. I'll always remember the bad weather, the terrible practices in the sweltering gym, and the long rides to New York, Vermont, and New Hampshire. Yet, I'll mainly remember my teammates; battered and bruised walking out together to a field like warriors ready for battle. Hounds on three.

The Assumption women's lacrosse team was led by Coach Debbie Draper and captains Jenny Mongeau and Tracey Conboy. Being the leader in goals scored, Jenny Mongeau led her team to victory with the help of Jenna Goldstein, leader in assists. This was a trying season for the women greyhounds but would not have been as successful without all of their hardwork and dedication.

Jenny Mongeau says about her teammates, "I would say that I am blessed to have you in my life. Each of you in some way has shown me a better way to live. Together we have found the value of self-control and channeled desire. One more fulfilled sprint doesn't seem that bad when we are all running together, just like one more bad-day seems manageable with you all by my side."

The Assumption men's tennis team had quite the successful season. Under the direction of Coach John Ippolito (his tenth season) and led by captains Matt Stopp and Michael Goldman, the team finished the season with a record of 18-4 overall. In the final Northeast-10 Conference the men finished with a record of 11-0. They are the 2006 Northeast-10 Conference regular-season and post-season champions. The Assumption men's tennis team have won 103 consecutive Northeast-10 matches. Congratulations! All of your hard work has paid off. Losing only one senior, Michael Goldman, the team keeps numerous returning players to carry on Assumption's legacy.

~AC Tennis - One Team = One Goal~

"The way a team plays as a whole determines its success. You may have the greatest bunch of individual stars in the world, but if they don't play together, the club won't be worth a dime."

Assumption women's tennis for the 2005-2006 season can be summed up in one word – heart! Despite the team's struggle with sick and injured players (on a team only composed of eight members), each girl still brought enthusiasm and determination to her match. The season began in September of 2005 at the International Hall of Fame Doubles Tournament in Rhode Island. With a strong first presentation to start off the year, all the girls continued to progress by winning four great matches and giving a number of other teams a real run for the match. The girls always fought hard and to the end, even if it took three sets or made them play in darkness. With the loss of only one senior, Captain Kathryn Hayden, the 2006-2007 Northeast-10 Conference better keep an eye on Assumption's tennis team and WATCH THEM DOMINATE!

WELCOME BACK WEEK

AUGUST 29 - SEPTEMBER 4, 2005

The Campus Activities Board sponsors a Welcome Back Week at the beginning of every semester. The 2005 fall semester's theme was "Get Hooked" on our events and it was filled with many exciting "good times." Each year, CAB has an amazing give-away. This year the give-away was gold t-shirts with Captain Hook on the back!

We had awesome turnouts at all of our events which included: Movie on the Lawn: Hook, Comedian: Jeff Burghart, Big Treasure BINGO, and Six Flags Trip. This pirate themed week was filled with many adventures, laughs, and lots of prizes. It was a great way to start off the year and a great way to display off CAB's fun-loving spirit!

LIGHT THE NIGHT

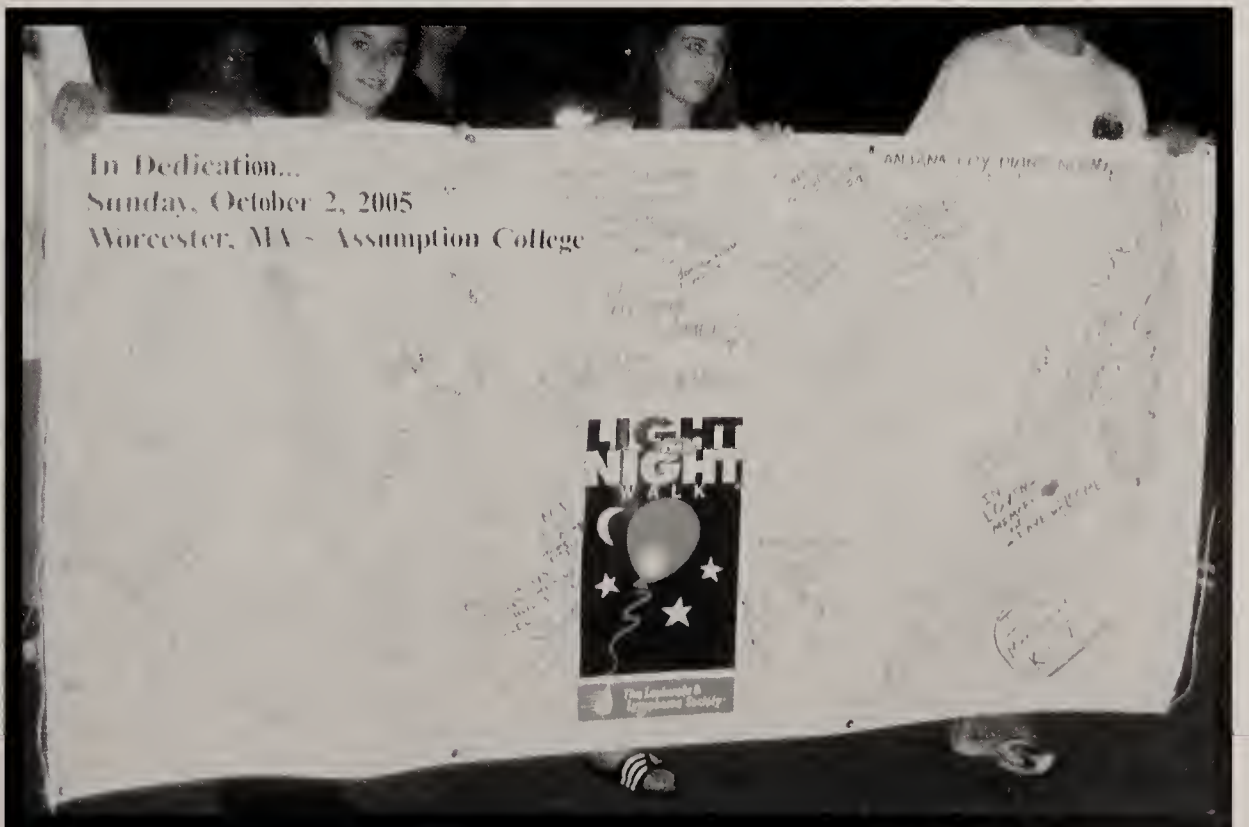

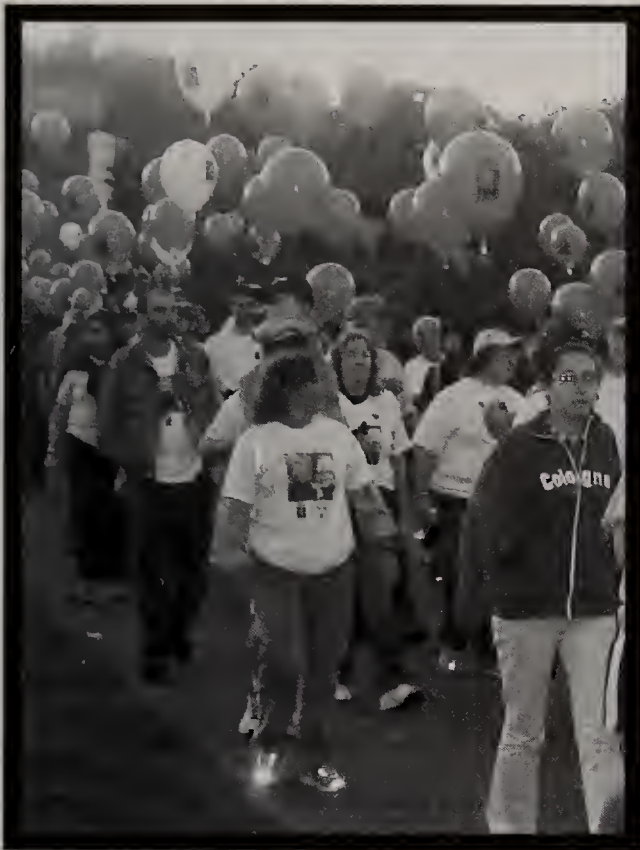

OCTOBER 2, 2005

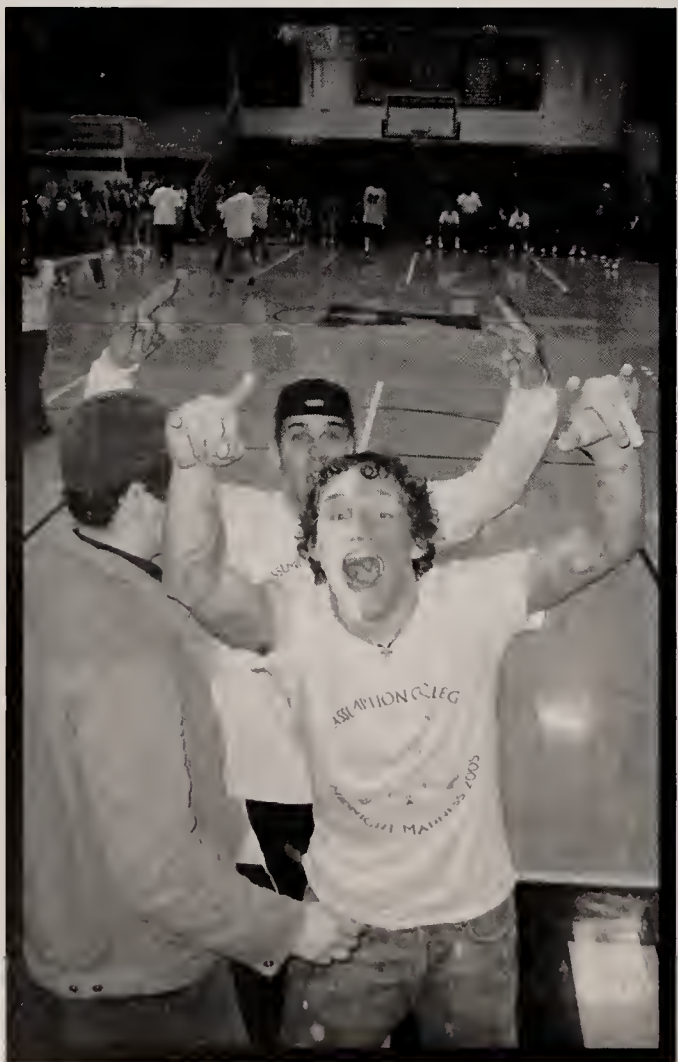

Light The Night Walk is The Leukemia & Lymphoma Society's nationwide evening walk to build awareness of blood cancers and raise funds for cures. All participating walkers carry illuminated balloons, which signify, celebrate, and commemorate any life that has been touched by cancer. White balloons are given to survivors and red balloons to supporters. Funds raised by participants support the Society's mission: cure leukemia, lymphoma, Hodgkin's disease, and myeloma. The Leukemia & Lymphoma Society aims at improving the quality of life of patients and their families.

Assumption has sponsored the Light the Night Walk since 1999. On Sunday October 2nd 2005, hundreds of students, faculty, families, and Worcester residents came to participate in the event to raise over \$66,000. As the sun began to fade, the balloons came to life, illuminating Assumption and Salisbury Street creating a breathtaking exhibition of love and support.

FAMILY WEEKEND

SEPTEMBER 30 -
OCTOBER 2, 2005

On September 31st, 2005, CAB welcomed the families of Assumption students to "Come Home to Assumption." The weekend started off with a packed house at Friday night BINGO where winners took home some fantastic prizes. After BINGO, families moved downstairs to Charlie's to be serenaded with the sweet sounds of singer/pianist Rob Gonzalez. The crowd enjoyed his original songs as well as some old classics.

Saturday proved to be a perfect day for an outdoor mini carnival. Families decorated their own greyhound cookies, got their picture printed on pillow cases, and even spent some time petting puppies in training with NEADS, the National Education for Assistance Dogs Services. Following the carnival, the evening's events kicked off with a fantastic fireworks display over the new multi-sport stadium. After the fireworks, approximately 300 people filled the Plourde to enjoy Las Vegas style casino games, as well as the music of Jay and Joe.

FALL FEVER

SEPTEMBER 24, 2005

The First Annual Fall Fever held on the Hagan lawn was a tremendous success! The event drew students from all years to enjoy a beautiful afternoon of music, food and fun! Senior Dave Gendreau used his DJ skills to provide awesome music and the make-shift volleyball court was the scene of several intense games. The obstacle course and bungee-run were very popular among the students. Fried dough and popcorn were available all day. The event really got going when "Draw the Line": The Aerosmith Tribute Band hit the stage and rocked out to classic Aerosmith hits as students enjoyed a free BBQ.

Holiday Ball

December 3, 2005

The Holiday Ball was held on Saturday, December 3rd at the DCU Center in Worcester. The theme this year was "A December to Remember", and we hope everyone had a memorable time. This wonderful formal event started at 5:30 pm with an elegant cocktail hour. Juniors and Seniors who attended this event with excitement were eager to get their dance on. With everything decorated in crimson red and gold, the atmosphere was filled with holiday cheer and spirits. At approximately 7 pm, the ballroom doors opened and the evening begun. Entrées were served and the music started. The evening ended smoothly and memories were made. It won't be the last because the Spring Ball is coming around the corner!

Christmas week was filled with fun and cheer. During “Christmas in Charlie’s” students could have their picture taken with friends and put on ornaments, and decorate Christmas cookies and cupcakes. Students could even decorate their own gingerbread houses!

Outside on the Hagan lawn was the annual Christmas tree lighting where students and staff joined the AC Chorale in singing carols, witnessed the blessing of the tree by Fr. Gallagher, and drank hot chocolate.

This was definitely a time to get in the holiday spirit and celebrate the end of classes!

MIDNIGHT BREAKFAST

December 8th, 2005

Every year students, faculty, and staff come together to celebrate the end of the fall semester by having a Midnight Breakfast.

Students from all across campus, no matter what they are doing, take time out of their busy schedules to attend this event.

Lines of cold, excited, and stressed out AC students begin to form before the doors even open!

Inside Taylor Dining Hall you can find the happy, smiling faces of the many faculty and staff members as they serve us pancakes, eggs, and hash.

Midnight Breakfast is a time to laugh, relax and spend some last minutes with your friends before the semester is over as well as eat some good breakfast food! This year's Midnight Breakfast was a success!

Siblings' Weekend

February 24 - 26, 2006

Siblings' Weekend was a Nickelodeon-themed celebration complete with a giant TV and a slime geyser. Friday night featured "AC Slime Time Bingo," karaoke, and ice cream sponsored by Residential Life. On Saturday afternoon, the Laska Gym was transformed into an "AC Slime Time Carnival," complete with toilet racing, human bowling, and personalized airbrushed trucker hats. The weekend concluded with a wild performance by Mad Chad Taylor, the chainsaw juggler. Over 200 siblings were in attendance and the weekend proved to be great fun for all.

START RETREATS

Every year Campus Ministry gives the opportunity for Assumption students to participate in START (Students Talking About Religious Topics) Retreats.

These retreats are ways for students to come together and reflect on their religion and their lives. Students are able to relate to each other through amazing talks given by peers. Students leave these retreats with a new connection to their religion, new Assumption memories, and new friends.

Spring Break Mission 2006

Assumption College Mission trips are an inexpensive way to spend your summer or spring breaks experiencing new surroundings, with new people. These mission trips are put on by Campus Ministry. The main focus is to bring Assumption students together to help out certain communities, while connecting their lives with God. These trips teach the students about their individuality, while exposing them to poor living conditions. Mission trips are meant for Assumption students to have fun with each other and bond, while making a difference in the community.

The Washington D.C mission was an extraordinary trip. Six Assumption students participated and although many of them knew each other, after this trip They became a tight knit family.

After a seven hour van ride, the gang arrived at the U.S. Capital - Washington D.C. While they did spend time sight-seeing, the volunteer work stands out much more brightly than the height and beauty of the Washington Monument. While in D.C., the gang volunteered for a day at The Gift of Peace, a house founded by Mother Theresa to take care of people who have AIDS. There are thousands of these houses all over the world, and Mother Theresa started it to take in the "poorest of the poor," who have no family or money, and all of her sisters take care of these wonderful people for free. These nuns are truly a blessing in disguise. For the rest of the week, the D.C. crew was lucky enough to work with children from the local Catholic elementary school in the mornings. They made peanut butter and jelly sandwiches with them and designed cards to later hand out to the homeless all over the D.C. mall.

Catholic elementary school in the mornings. We made peanut butter and jelly sandwiches with them and designed cards to later hand out to the homeless all over the D.C. mall. In the afternoons, the group shared their time with seven new friends, who lived at the Bethlehem House, a house opened by a former nun Dorothy Bolinto, known as "Dee." These friends are intellectually challenged, and for the week, the Assumption students took walks with them, enjoyed dinner, played UNO games, and importantly spent time with them. Over this week the students were welcomed like family and learned the importance of love, appreciation, and relationships throughout life.

The spring musical is an opportunity for students in all classes to debut their theatrical talents. The spring musical this year was Chicago. It goes without saying that it was a huge success! The lively music and dancing attracted a full house for every performance. Each of the students in the play dedicated hours preparing, rehearsing, and memorizing lines to make the show the best it could be. The entire play was packed with excitement and suspense. Each performer did an excellent job, and had a great time. For those who were in Chicago it was an experience they will never forget!

BATTLE OF THE BANDS MARCH 31, 2006

Student MC Justin "Shades" Marr introduced five bands that battled on March 31, 2006 for a first place prize of \$500 and an opening spot at Spring Fever (Saturday April 22, 2006). The bands were judged on crowd response, musicianship, originality, and stage presence. Broken English, The Airwaves (WPI) Lucy Grace, Pridefalls, and Jarred Abbot and the Strangers battled hard and passionately for the top slot. In the end it was Pridefalls that took the top slot. Jared Abbot and the Strangers came in second with \$350 and Lucy Grace received third place. The judges were Julian White, Jeff Roy, Erica Mandeville, and Shades.

Spring Ball - April 1, 2006

The Spring Ball is an annual event that the Campus Activities Board sponsors for juniors and seniors. The theme for the event was a "Night under the Canopy." This formal affair gives students the chance to retire their sweatpants and jeans for gowns and suits and an evening of dancing and dining. The evening started with a cocktail hour in the rainforest room, which added a special touch to the theme. This sold-out formal event helped seniors celebrate a great end to their second semester.

PUB NIGHTS

Pub Nights, sponsored by CAB, involve friends, music, and a great time. They give students the opportunity to debut their bands, and listen to other local bands in the area. Pub nights also give students the opportunity to have a good laugh while watching various comedians. Pub nights are a good way to relax and spend time with friends on Friday nights without leaving campus. The music and laid-back atmosphere of Charlie's allows for a guaranteed fun evening.

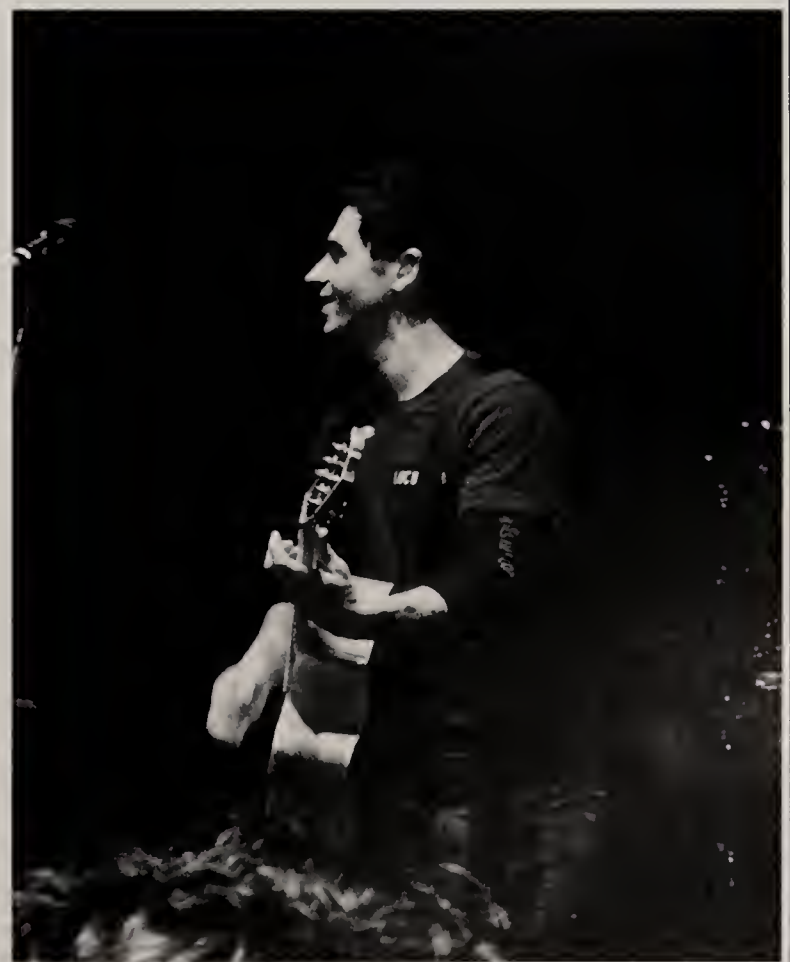

DASHBOARD

CONFESSIONAL

At 4:00pm on March 24, 2006 a line of die-hard fans started to form at the entrance of the Plourde Recreation Center. People huddled in the cold with blankets and delivery pizza while anxiously awaiting the doors to unlock. By 7:00pm the line of people wanting to see Dashboard Confessional extended all the way down to 5 men.

The crowd of fans enjoyed the opening act by John Ralston. When lead singer of Dashboard, Chris Carrabba, entered the stage to sing with Ralston, the crowd became overwhelmed with screams.

Dashboard hit the stage around 9:00pm. Carrabba sang his well known songs, "Drowning," "Hands Down," and "Again I go Unnoticed" along with many other popular hits. The Plourde was filled with people singing along and having a good night. The concert was a success.

Spring Fever April 22, 2006

Despite wind, rain and unseasonably cold temperatures, CAB's final big event of the year, Spring Fever, was quite successful. The event was open to all students and as always, was a great way to end another successful year at Assumption. Titled "Fiesta Frenzy: Spring Fever 2006", the event featured a Mexican-styled BBQ, a sign shop for making personalized street signs, mini melts ice cream and a photo booth. Three bands also played throughout the day, including: Assumption's own PrideFalls, the punk rock band Welbilt, and 80's cover band Orange Crush.

Last Day of Classes 2006!

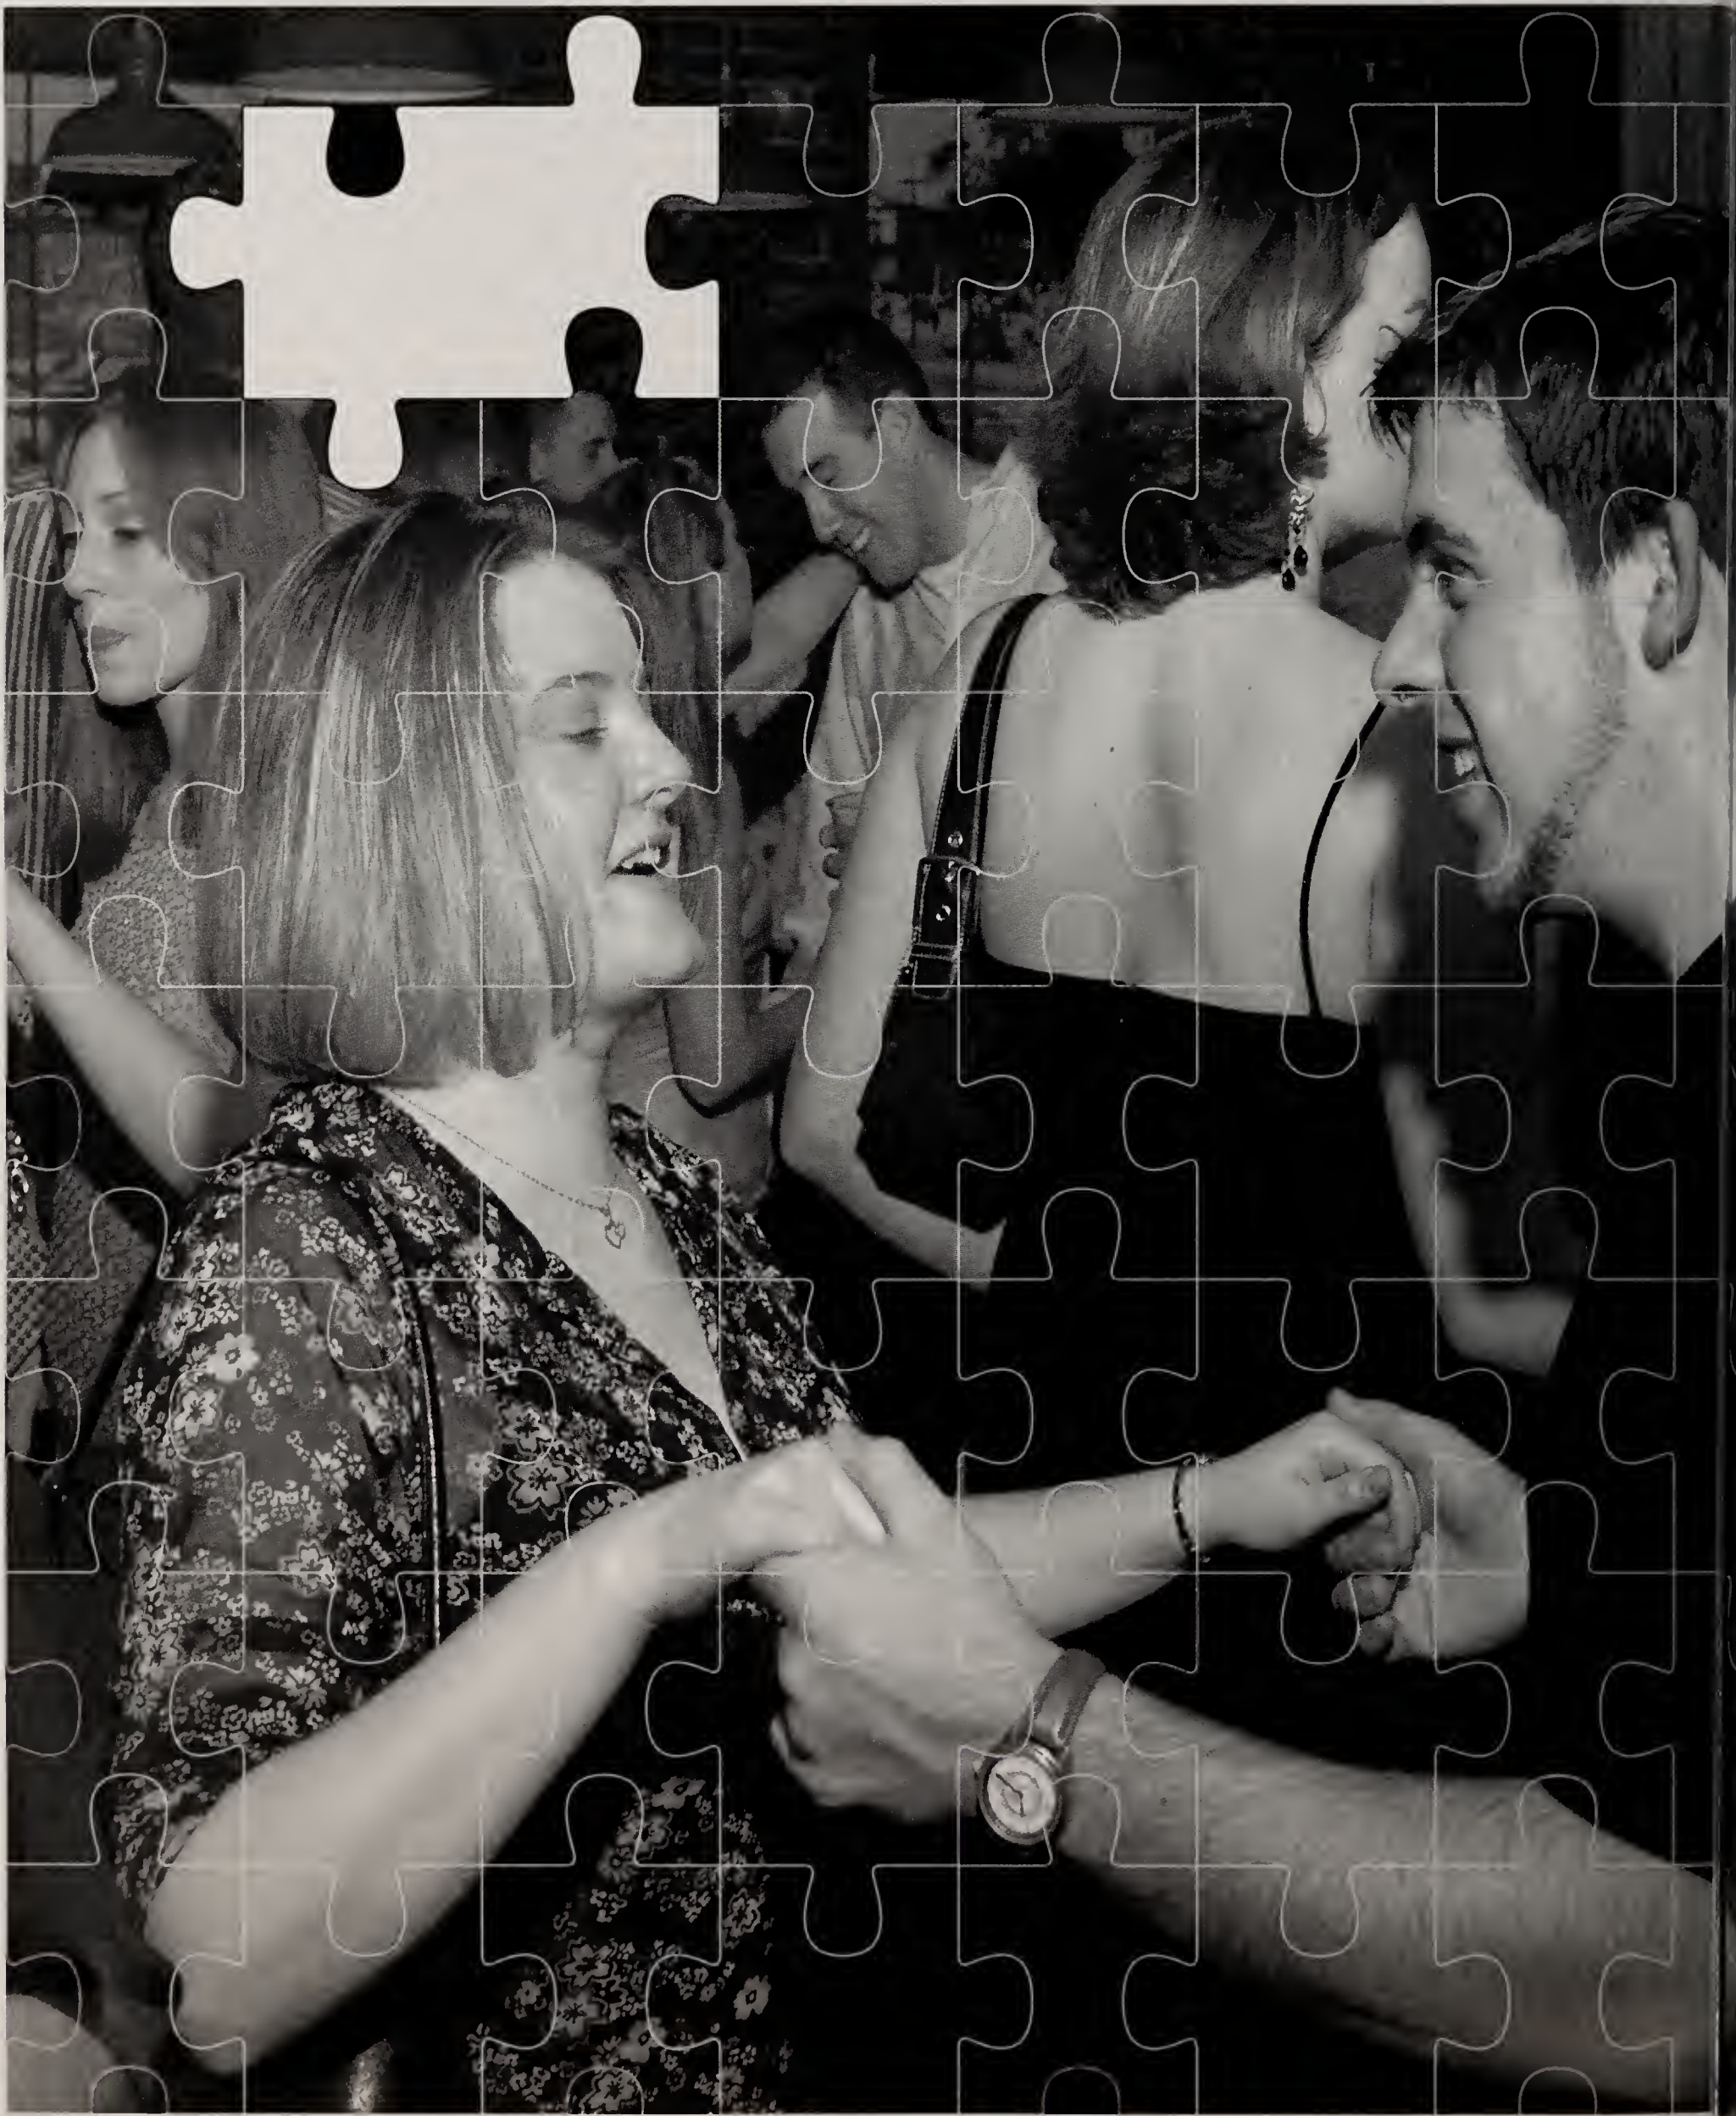

Monday, May 1, 2006 the Hagan lawn quickly filled with happy, excited students ready to celebrate the end of classes for the school year. Students were participated in such events as basketball, mini-golf, airbrushed tattoos and tons of fun under the sun. There was also a bbq, cotton candy, ice cream truck and many other goodies available to the students. Last day of classes was the last chance for students to celebrate together before the beginning of finals. Everyone who attended had a great time.

100 DAYS PARTY!

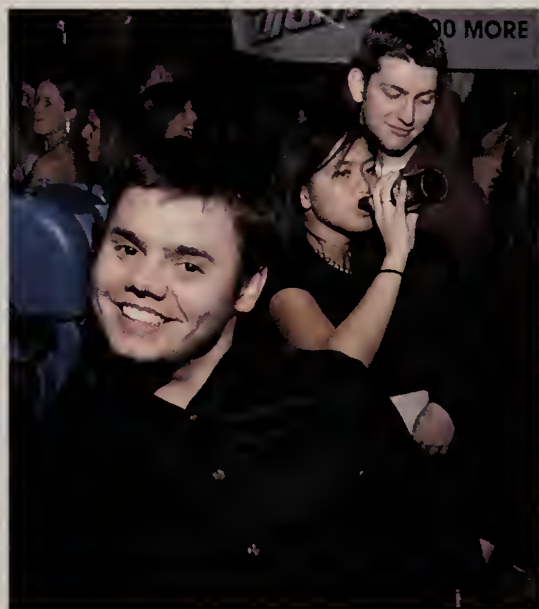

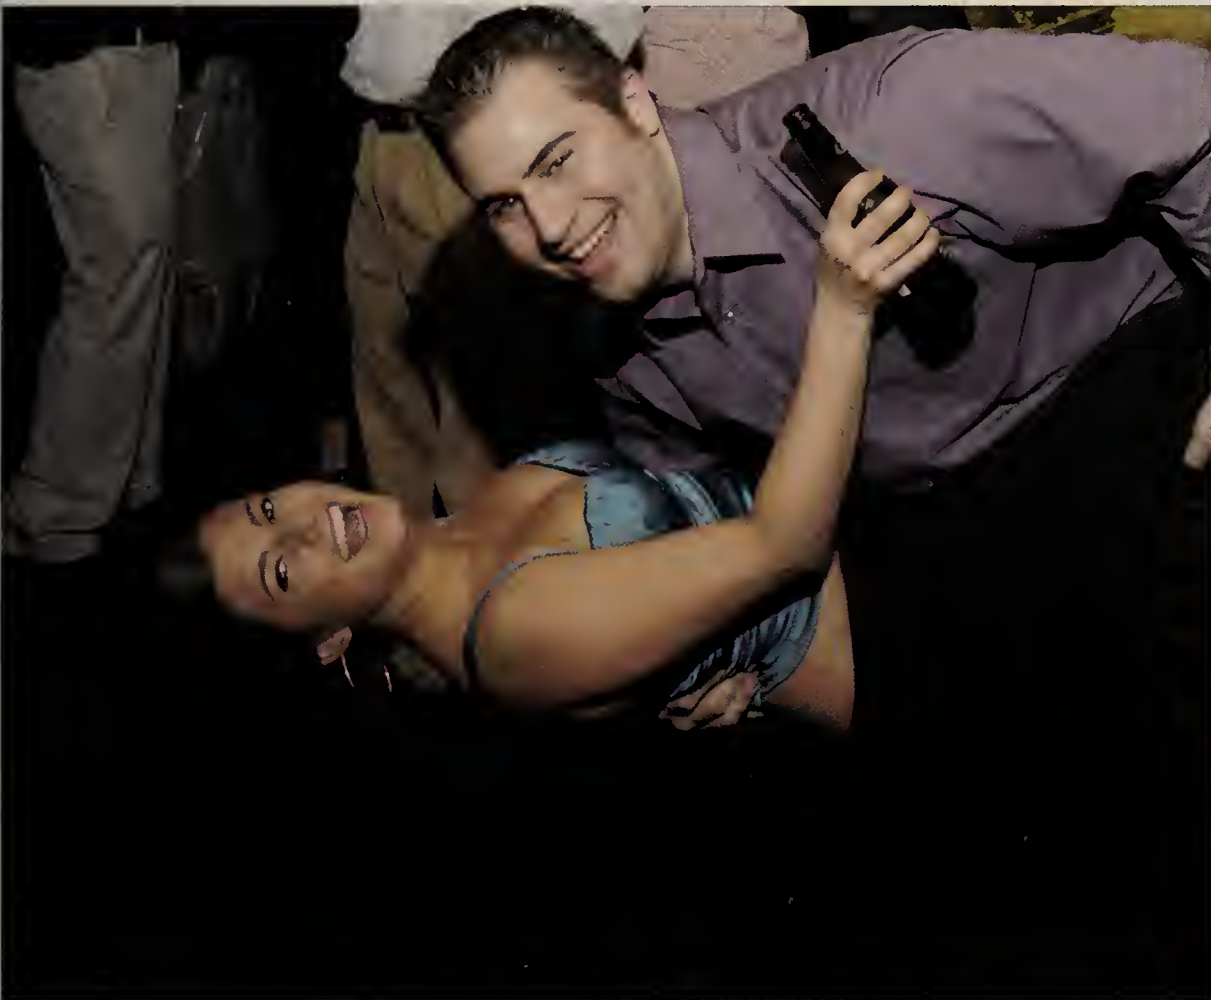

"100 MORE DAYS"

Maxwell Silvermans
February 10, 2006

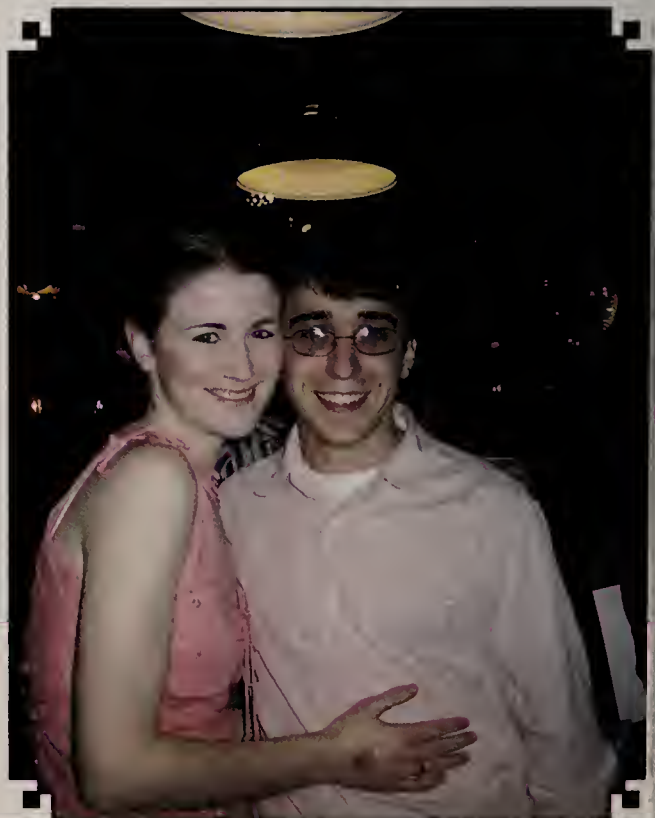

The 2006 Assumption Senior Class gathered to celebrate having only 100 days until graduation. It was a chilly night, but that didn't stop seniors from dancing the night away, laughing, and enjoying drinks together.

~50 Days Party~

The Assumption Senior Class gathered once again at Maxwell Silverman's restaurant for the 50 Days Party. Members of the senior class counted down the days till graduation together while enjoying a night of fun and excitement. The night gave seniors an opportunity to spend time together listening to good music, dancing, and enjoying drinks and appetizers together before graduation.

LAST NIGHT OUT

Seniors' Last Night Out was held on April 28, 2006, at the Holiday Inn. Although there were some bumps in the evening like the long bar lines and sneaky underclassmen, seniors managed to party on like Assumption Rockstars without shedding tears over graduation.

Heights 2006

On behalf of the Heights 2006 staff I would like to show our appreciation to all those who have helped make this 48th edition possible.

First, I would like to thank Erica Tolles, our advisor for keeping us on our toes and making sure we had everything we needed. Erica spent numerous hours editing pages and helping us get photos for all of our sections. She was always there to answer any questions we had and was a great support throughout the year. Without her this book would not have been such a success.

Carmella Murphy, our technical advisor (and more!) was a great help throughout the year helping us with our computer problems, in-design questions, and proofing pages. She was a complete lifesaver and all of her hard work does not go unappreciated.

I would also like to thank Dan Smith from Herff Jones for his hard work helping train the staff, prepare pages, and look over proofs. I would also like to commend his extreme patience working with Michelle, and I during our 8:00am Monday morning meetings! I would also like to extend our appreciation to everyone else at Herff Jones who also aided in the production of this book.

A big thank you also goes out to Fine Point Photography without whom we would not have senior portraits or numerous other beautiful photos to fill our pages. Thanks also go out to Steve Morris, in the Athletic Department, Campus Ministry, and everyone else who submitted photos. Without all the photos we received we would have a very boring yearbook!

I would also like to thank the IT Center/Help Desk for assisting in any questions we called with, the Copy Center for copying the baby photos and other pictures, as well as the Post Office for mailing out our numerous pages!

A special thanks also goes out to CAB for providing us with the write-ups for the numerous events on and off campus as well as everyone else who contributed write-ups for the book.

I would now like to thank all of the staff members for their hard work and dedication throughout the year. I would like to thank Julia Keohan, the Business Manager for keeping track of who ordered books and keeping yearbook finances in order. Julia, you did a good job keeping everything on track! Erin Johnson and Allison Smith also deserve a huge thank-you for all of their hard work on the Senior section. This year's senior section is great! Thank you for all of your hard work! Lauren Miller and Elyse Kearney also deserve kudos for working on the Underclassman Section. Great job girls!

Student Life editors Michelle Irmscher and Jill Solitro also deserve a huge round of applause. I appreciate all of the hard work you girls put into the student life section. It looks great! You girls did an awesome job! Thank you to Christine Lynch and Andria Hoffman for helping the staff members when needed and proofing pages. Thank you for all of your hard work!

Last but certainly not least I would like to thank the Assistant Editor, Michelle Beshire. For two girls who had no idea who the other was we did a great job working together and making this book the best it could be. I don't think I could have done it without you! Thank you for dealing with me till late at night and even early in the morning. It was great working with you and thank you for everything you have put into this yearbook. It has been an extremely fun year and I wish you the best of luck in your future endeavors.

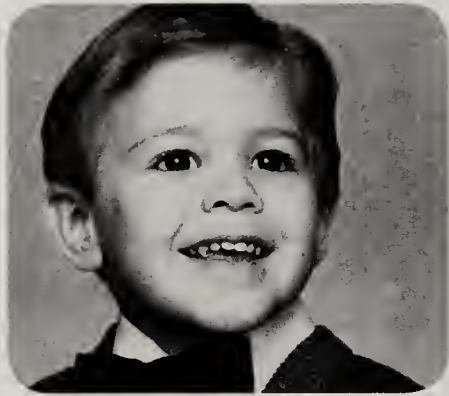

Thank you to everyone who helped make this book possible. The book looks great and I am definitely proud of it! I have had a great time being the editor and I hope you all love the book as much as I do! Thank You Again!

Congratulations Michelle (Shella-Belle),

On August 28th 2002, "two loving parents" dropped a fine girl and a load of stuff off at Assumption College. We were determined to send you, but nervous about leaving you. We were confident you were capable, but not really sure. We were hopeful about the 4 years ahead of you, but at the same time worried. Now, less than 4 years later, you are 21, truly able to live on your own, and well on your way to being well educated. Your decisions along the way have been good ones and everyone around you can see what a fine woman you have become. We are Proud, Excited, Proud, Satisfied, Proud, Impressed, Joyful and did I mention Proud?

Class of 2006

"It is not intelligence alone that brings success, but also the drive to succeed, the commitment to work hard, and the courage to believe in yourself. Know that your dreams must come from your heart's deepest desires. Only then will the barriers come down before you. To know your heart, you must know yourself. You are who you decide to be, not who other people decide for you to be. Be noble. Stand on the higher ground. Create your life and then go out and live it."

Where are you going, my little one, little one
Where are you going, my baby, my own?

Turn around and you're two
Turn around and you're four
Turn around and you're a young girl
Going out of my door...

To our graduate, Kerry . . . no more a child,
On whom these many years our love has shone;
Take pleasure in your accomplishment.
Even as you dance upon your stage,
Growing ever more endowed with grace;
Remember that our love will never change,
A place for you beyond all time and place.

Congratulations, we are all so very proud of you and everything you have accomplished.
God bless you on life's journey.

Love Always
Mom, Dad and Colleen
